

UNITED STATES DISTRICT COURT
EASTERN DISTRICT OF NEW YORK

Joseph Rouse,
Plaintiff,
vs.

207 Knickerbocker LLC, and
Leos Deli Grocery INC.,
Defendants.

COMPLAINT

Plaintiff, JOSEPH ROUSE (“Plaintiff”), by his undersigned counsel, hereby files this Complaint and sues Defendants, 207 KNICKERBOCKER LLC and LEOS DELI GROCERY INC. (“Defendants”), for injunctive relief pursuant to the Americans with Disabilities Act, 42 U.S.C. § 12181, et seq., (hereinafter the “A.D.A”) and the ADA’s Accessibility Guidelines, 28 C.F.R. Part 36 (hereinafter the “ADAAG”).

JURISDICTION

1) This Court has original jurisdiction over the action pursuant to 28 U.S.C., §§1331 and 1343 for Plaintiff’s claims arising under 42 U.S.C. § 12181. et seq., based upon Defendant’s violations of Title III of the ADA (see also, 28 U.S.C. §§ 2201 and 2202).

2) Plaintiff currently resides in Brooklyn, NY, and is *sui juris*. Plaintiff is a qualified individual with disabilities under the ADA law. Plaintiff is a paraplegic and is bound to ambulate in a wheelchair. He experienced an injury to his spine and has been a paraplegic T8 since 2010.

3) Defendant, 207 KNICKERBOCKER LLC, is a Limited Liability Company and transacts business in the State of New York and within this judicial district. Defendant, 207 KNICKERBOCKER LLC, is the owner of the real property which is the subject of this action

located on or about at 207 Knickerbocker Avenue, Brooklyn, New York 11237 (hereinafter “Subject Property” or “Facility”).

4) Defendant, LEOS DELI GROCERY INC., is a Domestic Business Corporation and transacts business in the State of New York and within this judicial district. Defendant, LEOS DELI GROCERY INC., is the lessee and operator of the business known as LEO’S TACOS, located at 207 Knickerbocker Avenue, Brooklyn, New York 11237 (hereinafter the “Subject Property” or “Facility”).

5) Plaintiff has visited the Subject Property which forms the basis of this lawsuit on or about the middle of February 2024, and for the second time on May 10, 2024. On both of these occasions, the Plaintiff’s ability to ambulate through the entrance of the Subject Property was constrained, hindered, and thwarted by the structural barriers, that which prevented access to the public accommodation. The Plaintiff plans to return to the Subject Property to avail himself of the goods and services offered to the public at the Subject Property, and thereby determine whether the Subject Property has been made ADA compliant. Plaintiff’s access to the Facility and/or full and equal enjoyment of the goods, services, facilities, privileges, advantages, and/or accommodations offered therein was denied and/or limited because of these disabilities, and Plaintiff will be denied and/or limited in the future unless and until Defendants are compelled to remove the physical barriers to access and ADA violations which exist at the Facility, including but not limited, to those set forth in this Complaint.

6) Plaintiff lives only several miles from the Defendants’ Facility, passes by the Defendants’ Facility at least once per week when he is doing errands, visiting family and friends throughout the borough, and looking to eat out. Moreover, the Defendants’ Facility is in a neighborhood that Plaintiff dines out two to three times per month. Foremost, Plaintiff has dined

at, and in, nearly all of the neighboring restaurants surrounding the subject facility, that are all without obstructions. Moreover, Plaintiff dines at restaurants on this street about once or twice per month, including but not limited to Knickerbocker Food Corp Deli, Sushi & Noodles, Gaby's Bakery, and City Fresh Market amongst many others; and thereon affirms that he would dine at the Defendant's restaurant and avail himself of the goods and services offered to the public, were it not for the structural barriers inhibiting his ability to enter the subject facility, in direct contravention of Title III of the ADA and provisions under the ADAAG.

7) The Defendants' Facility is a public accommodation and service establishment, and although required by law to do so, it is not in compliance with the ADA and ADAAG. Plaintiff has visited the Subject Property which forms the basis of this lawsuit and plans to return to the Subject Property to avail himself of the goods and services offered to the public at the Subject Property, and to determine whether the Subject Property has been made ADA compliant. Plaintiff's access to the Facility and/or full and equal enjoyment of the goods, services, facilities, privileges, advantages, and/or accommodations offered therein was denied and/or limited because of these disabilities, and Plaintiff will be denied and/or limited in the future unless and until Defendants are compelled to remove the physical barriers to access and ADA violations which exist at the Facility, including but not limited, to those set forth in this Complaint.

8) Plaintiff has suffered and continues to suffer direct and indirect injury as a result of the ADA violations that exist at the Facility. In this instance, Plaintiff visited the Facility and encountered barriers to access at the Facility, engaged barriers, suffered legal harm and injury, and will continue to suffer legal harm and injury as a result of the illegal barriers to access as set forth herein.

9) Plaintiff visited the Facility and encountered barriers to access at the Facility no less than two times, specifically in the middle weeks of February 2024, and again on May 10, 2024; engaged the barriers, suffered legal harm and injury, and will continue to suffer legal harm and injury as a result of the illegal barriers to access as set forth herein. The Plaintiff will continue to dine out in the neighborhood of the Defendants' subject property, and will thereon continue to attempt to access the services and facilities at said premises which have been deprived at all times material. More specifically, the Plaintiff intends to visit the subject facility in the coming summer and autumn when dining out in this neighborhood with friends and family for celebrations and weekends out.

10) All events giving rise to this lawsuit occurred in the State of New York. Venue is proper in this Court as the premises are located in the Southern District.

FACTUAL ALLEGATIONS AND CLAIM

11) Plaintiff has attempted to access the Facility, but could not do so without severe hardship, because of his disabilities, and the physical barriers to access and ADA violations that exist at the Facility, which restrict and/or limit his access to the goods and services offered at the Facility. 13) Plaintiff travels through this neighborhood regularly, has partaken of the services offered in nearly all the surrounding public accommodations, and thereon intends to visit the Facility again in the near future in order to utilize all of the goods and services offered therein but will be unable to do so because of the physical barriers to access, dangerous conditions and ADA violations that exist at the Facility that restrict and/or limit his access to the Facility, including those barriers conditions and ADA violations more specifically set forth in this Complaint.

14) Defendants have discriminated against Plaintiff and others with disabilities by denying access to, and full and equal enjoyment of the goods and services of the Facility, as prohibited by 42 U.S.C., § 12182, *et.seq.*, and by failing to remove architectural barriers as required by 42 U.S.C., § 12182(b)(2)(A)(iv), and will continue to discriminate against Plaintiff and others with disabilities unless and until Defendants are compelled to remove all physical barriers that exist at the Facility, including those specifically set forth herein, and make the Facility accessible to and usable by persons with disabilities, including Plaintiff.
